Philadelphia, Pennsylvania 19104-6193

Dear Adam,

We are pleased to confirm our offer of temporary, Full-Time Hourly employment with General Atomics Aeronautical Systems (the "Company") as a Intern - Undergraduate (technical). In this position you will be working at our facility in Poway, CA, reporting to David Boucher. There is no guaranteed temporary assignment length.

The hourly rate of pay for this position is \$29.00. Pay days are every other Friday.

As a temporary, full-time employee, eligibility for benefits includes holiday pay on designated Company holidays, paid time off in the Comprehensive Annual Leave program, business travel accident insurance coverage, and participation in the Employee Assistance Program. Should your assignment extend beyond ninety (90) days, you will also become eligible to participate in General Atomics' Pension Plan and 401(k) Retirement Plan in accordance with terms and conditions of the applicable Plan documents. Please note, all Company benefit programs are subject to change without notice.

Should your position require a security clearance in the future, your continued employment will be contingent upon and expressly conditioned on your receipt and maintenance of the applicable security clearance within a reasonable period of time.

The offer of employment is contingent upon your consent to, and receipt by the Company of results from, a pre-employment background check to include, among other things, a pre-employment drug test, which the Company determines, in its sole discretion, to be satisfactory for employment with the Company. The drug test must be completed within two (2) days of your acceptance of this offer.

As an employee of the Company, you will be expected fully to adhere to all of the Company's standards of conduct and performance, as well as all other applicable policies, procedures and requirements of the Company.

On your first day of employment it will be necessary that you:

1. Furnish documentation to substantiate your eligibility for employment in the United States as required by federal law. Failure to provide acceptable documentation could delay or terminate your employment.
2. Execute the attached "Agreement Concerning Inventions, Copyrights, and Confidential Information" (the "Agreement"). Please review its contents prior to accepting this offer. A fully executed Agreement, acceptable to the Company, must be submitted before you may begin work. If you will reserve any invention or copyright from the scope of the Agreement, the Company must receive the executed Agreement at least five (5) business days prior to your scheduled hire date. Delay could postpone the

start of your employment. Please ensure that your description of excluded items is clear and concise. Clarification of overly broad or ambiguous descriptions will be required.

If you accept this offer by signing below, you represent and warrant that: (i) you are not subject to any pre-existing contractual or other legal obligation with any person, company or business enterprise that would be an impediment to your employment with, or your providing services to, the Company as its employee; and (ii) you have not and shall not bring onto the Company's premises, or use in the course of your employment with the Company, any confidential or proprietary information of another person, company or business enterprise to whom you previously provided services.

Employment with the Company is an "at will" relationship, based on mutual agreement, and can be terminated by either party at any time with or without notice and with or without cause. As part of the "at will" relationship, the Company may change the terms and conditions of employment, including but not limited to compensation, benefits, job title, job duties and work schedules, with or without notice and in the sole discretion of the Company in accordance with applicable law.

We are pleased with the possibility of your joining the Company. If you have any questions regarding this offer, please do not hesitate to contact me at 619-539-9938.

We look forward to your early acceptance and mutually rewarding association.

Sincerely,

CHARITY KUNOLD
